

## **Public ITAR Compliance Policy for ART School LLC**

**Effective Date: January 1<sup>st</sup> 2025**

---

### **Our Commitment to Compliance**

At ART School LLC, we are committed to ensuring that our training and services comply with all applicable U.S. laws and regulations, including the International Traffic in Arms Regulations (ITAR). Our goal is to promote responsible firearms safety and response training while adhering to strict legal and ethical standards.

---

### **Scope of Services**

ART School LLC provides civilian-focused firearms safety and response training designed to improve public safety and responsible firearm use. Our training does not involve any activities, equipment, or services regulated under ITAR, including:

- Advanced military or tactical training.
- Training involving military-grade firearms or equipment.
- Export or sharing of technical data related to defense articles listed on the United States Munitions List (USML).

---

### **Client Eligibility**

Our services are available exclusively to U.S. citizens and lawful permanent residents. We require all participants to verify their citizenship or residency status before enrolling in any training program. This policy ensures compliance with federal regulations and helps maintain the integrity of our programs.

---

### **Prohibited Activities**

To remain outside the scope of ITAR, ART School LLC does not:

- Train or provide services to foreign nationals or entities without proper authorization.
- Offer instruction on the operation, maintenance, or use of military-grade weapons or equipment.
- Share technical data related to USML-regulated items.

---

## **Data Security and Privacy**

We take the security of our clients' information seriously. ART School LLC employs strict safeguards to protect sensitive information and ensure it is accessible only to authorized personnel. We do not handle or store technical data related to defense articles or services.

---

## **Reporting Concerns**

If you have any questions or concerns about our compliance with ITAR or other regulations, please contact us immediately. Our Compliance Officer is available to address inquiries and ensure that our practices remain consistent with U.S. law.
